What is a Comprehensive Safety Action Plan (CSAP)?

What is a CSAP?

- A plan to enhance public safety across all modes of transportation.
- Aims to investigate risk factors, conduct safety analysis, implement strategies and identify potential improvements

What is Vision Zero?

- A safety strategy to reduce and eventually **eliminate traffic deaths and serious injuries** using a data-driven, multidisciplinary, and safe systems approach that increases safe, healthy, and equitable mobility for all.
